Branding Opportunities

FedEx®

Welcome to the Omni Boston Hotel at the Seaport

FedEx Office partners with the Omni Boston Hotel at the Seaport to provide essential onsite business center services including office equipment rentals, promotional products, narrow format printing, oversize printing, surface graphic branding, inbound receiving, and outbound shipping.

As the hotel's exclusive surface branding signage vendor, we have created this signs and graphics opportunities guide to assist throughout your event branding preparations. Should you be afforded the opportunity to visit the property prior to your event our team would love to walk the meeting space and discuss your event needs.

Please reach out to discuss branding, signage, printing, and shipping for your event.

An architectural rendering of a modern multi-story building complex. The building features a mix of glass facades and solid panels. The ground floor is a vibrant retail and dining area with outdoor seating and red umbrellas. The sky is clear blue with a few wispy clouds. A large purple and orange geometric shape is overlaid on the left side of the image.
