SPA MENU

AN ENTIRE DAY, JUST FOR YOU

Your spa experience is not limited to the length of a specific treatment. Instead, it is our desire to immerse you in exceptional rejuvenation and tranquility, all day long.

The Spa has more than 43,000 square feet, 18,000 of which are amenities for you to enjoy before and after your treatment. Consider yourself cordially invited to use our mineral pools, with their soothing underwater music and nearby pools and waterfall pools. Enjoy exhilarating contrast pools, a lap pool, an inhalation room, a sauna and a eucalyptus-infused steam room. Sip herbal teas and savor refreshments in our separate Men's and Women's relaxation lounges. Step outside to drink in the views of the Blue Ridge Mountains by the fireplace and outdoor whirlpool.
