

War Rooms and Enhanced Legal & Trial Services.

The Omni Los Angeles at California Plaza is excited to announce two new war rooms to their portfolio. As we continue to strive to facilitate the needs of our valued legal partners to allow you the peace of mind to focus on your trial and all things involved.

With the Industrial War Room and The Olive Room these new street level rooms allow quick access to the courthouses and easy load in and load out from our valet driveway. Smaller than the Grand War Room, but larger than our Standard War Rooms we invite you to try these new spaces.
